

May 6, 2017

The Liberty-Perry Alumni Association (LPAA) reserves the right to accept, amend or refuse any engraving requests given with any order placed for the Liberty-Perry Schools Alumni Engraved Brick Walkway.

All brick orders received on or after May 6, 2017 will be accepted and processed accordingly. Engraved brick(s) will be installed into the Alumni Walkway at the discretion of brick(s) sales demand. At minimum, bricks will be installed annually in August, prior to the Wapahani All Classes Reunion, held in mid-late August each year. If the demand is great (which is quite likely), there will be multiple installations annually.

Respectfully,

**Richard D. Morris II RDMS
LPAA President
1977 Wapahani High School Graduate
